

### **AMENDMENTS TO THE SPECIFICATION**

Please replace the paragraph starting on page 2, line 25, and continuing through page 3, line 1, with the following amended paragraph:

According to the invention, a price of the article with changed specifications is automatically calculated, ~~trough~~ through means of referring to the correction table. Accordingly, the buyer can easily validate the changes in the specifications. Further, according to the invention, an adjustment on the price caused by the changes in the specification can be more easily carried out both by the seller and the buyer. Accordingly, efficiency in changes of the specification is improved.

Please replace the paragraph starting on page 15, line 25, and continuing through page 15, line 29, with the following amended paragraph:

Thus, the automatic price correcting system according to the invention can automatically correct the price corresponding to the standard specifications ~~trough~~ through means of referring to the correction table presented by the trading partner, when some changes in the specifications arise in relation to the standard specifications.
